

# SPORTSWALL MAX3 PREMIUM

CEILING HEIGHT MIN: 2.4M / MAX: 3.2M

SPORTSWall MAX3 Premium the perfect solution for schools, sports halls, fitness centers, and various leisure facilities. The system consists of a ceiling-mounted projector, a computer, and a motion-detecting camera that transforms the wall into an interactive surface.

SPORTSWall offers a large interactive area, making it ideal for rooms with a lot of light. It is suitable for both children and adults, providing an engaging and user-friendly experience that meets the needs for active play, learning, and training. With its compact and flexible installation, SportWall Max is a versatile solution for any sports or leisure activity, even in large spaces.
